

Empower ♦ Educate ♦ Elevate

OUR IMPACT

200

Provide on average, 200 backpacks and school supplies to refugee and underserved children in Buffalo, NY (yearly: 2019-2022).

100

100 meals served monthly to orphans in the Democratic Republic of Congo (DRC).

60

On average, 60 orphans in the Democratic Republic of Congo are paired with an educational sponsor each school year.

6

Six orphans successfully graduated high school:

- Two are employed
- Two are entrepreneurs
- One graduated from University
- One is in college, majoring in Engineering

3

Launched three vocational training programs (computer literacy, agriculture, and sewing) in the Democratic Republic of Congo.

OUR MISSION

Empower orphans and underserved children to become self-sufficient through education, vocational training and mentoring.

OUR VISION

To be an impactful and sustainable source of education and career development support for underprivileged children.

SPOTLIGHT: SUCCESS STORY

Meet Aline

Aline is an orphan who graduated High School in 2015 thanks to an educational Sponsor. She completed our Vocational Training Sewing program in 2018. She uses skills gained from the program to teach underserved children how to sew, and started her own tailoring business allowing her to make a living. Aline is now married, has a baby and fosters a teen orphan.
