

Empower ♦ Educate ♦ Elevate

Empower. Educate. Elevate!

OUR IMPACT

Purchased a building in Goma, Democratic Republic of Congo, providing housing to ~45 orphans, space for vocational training & activities.

200

Provide on average, 200 backpacks and school supplies to refugee and underserved children in Buffalo, NY (yearly: 2019-2022).

100

Over 100 meals served monthly to orphans in the Democratic Republic of Congo (DRC).

60

On average, 60 orphans in the Democratic Republic of Congo are paired with an educational sponsor each school year. The sponsors funds their K-12 tuition, uniform, and school supplies.

6

Six orphans successfully graduated high school:

- Two are employed
- Two are entrepreneurs
- Two graduated from University (engineering and organizational management).

3

Launched three vocational training programs (computer literacy, agriculture, and sewing) in the Democratic Republic of Congo.

Conduct financial education sessions for refugee and immigrant families in Buffalo, NY.

OUR MISSION

Empower orphans and underserved children to become self-sufficient through education, vocational training and mentoring.

OUR VISION

To be an impactful and sustainable source of education and career development support for underprivileged children.

SPOTLIGHT: SUCCESS STORY

Meet Aline

Aline is an orphan who graduated High School in 2015 thanks to an educational Sponsor. She completed our Vocational Training Sewing program in 2018. She uses skills gained from the program to teach underserved children how to sew, and started her own tailoring business allowing her to make a living. Aline is now married, has a baby and fosters a teen orphan.
